## News

This season we are continuing to expand our collection of comfortable, functional and well-designed garments.

The 2371 and 2271 (hi-vis) craftsman trousers have been added to the women's range. Both models are available in comfortable 4-way stretch fabric. The trousers feature our smart and practical detachable holster pockets with a zip-in function.

We've also expanded our shorts range to include new 4-way stretch products. 2397 and 2296 (hi-vis) craftsman shorts. These models also feature detachable holster pockets with a zip-in function.

We have added new 2993 shell trousers to match the 1283 hi-vis jacket, along with new 2934 shell trousers to match the 1284 shell jacket. Both trouser models are wind/waterproof with taped seams.

Happy reading!
